This Week – Rotary Foundation Week

Last week Bob Brading reminded us of what the Rotary Foundation is all about. Bob has now arranged this week's guest speaker who will be Natalie Forrest, news reader on Prime TV. Natalie was one of the GSE (Group Study Exchange) team members who went to Indiana in the USA. Natalie will share her observations with us and help us celebrate Rotary Foundation week.

Our club has been a substantial contributor to the Rotary Foundation since inception. Bill and Melinda Gates have donated US\$100 million to the Foundation with the challenge that Rotarians are to match that amount. This equates to approx. US\$1,000 per year per club which is on par with our annual donation.

The Rotary Foundation is a not-for-profit corporation that supports the efforts of Rotary International to achieve world understanding and peace through international humanitarian, educational, and cultural exchange programs. It is supported solely by voluntary contributions from Rotarians and friends of the Foundation who share its vision of a better world.

The Foundation was created in 1917 by Rotary International's sixth president, Arch C. Klumph, as an endowment fund for Rotary "to do good in the world." It has grown from an initial contribution of US\$26.50 to more than US\$55 million contributed in 2002-03. Its event-filled history is a story of Rotarians learning the value of service to humanity.

Last Week

Graeme arranged for Rhonda Obad from the Bridge Back to Life Foundation to join us for lunch last week. Our Club is supporting the Bridge Back to Life Foundation with Stomp money and we presented her with a cheque last week.
