**President's Diary**

What a fantastic presentation we enjoyed last week from Bob Garvan. He proved once again that often the best stories come from our own members, as he talked of his various lives in the NSW Fire Brigade, emergency services, association with "911" in New York and his current life in the Salvation Army. His photos were poignant and highlighted the massive contribution he and his wife, and friends in the Salvation Army make to the survival of our communities in times of crisis. It was a great experience to listen to him.

We also heard a little about Ken Meaney's life in Canberra - another excellent new member. We have 3 new members to be inducted in the next few weeks!

This week we held a Board Meeting which dealt with the progress of our various programmes - more about that in forthcoming meetings. The STOMP generated just under \$6,000 for the Victorian Bushfire Appeal - a tremendous result from a huge effort.

This Thursday is another of our special meetings, with His Excellency Andrzej Jaroszynski, Ambassador for the Republic of Poland addressing us on "The Ambiguous Future of Europe". I hope you can all bring a guest to share in this presentation.

See you there.  
Bill
