**Presidents Diary**

It was wonderful to hear last week from a young student here on an Ambassadorial Scholarship from the USA. Lisa Stovall was an articulate young lady who is studying a Masters of International Affairs at the ANU and had a clear focus on how she saw American life and the contrast with our culture. Having been in Canberra for only a few months, Lisa has already seen a great portion of our land and plans to go on a camping trip to Uluru in the near future – a bit cold I would have thought. Her presentation with photographs of her family and home town were very entertaining, and we felt privileged to have her sharing family experiences with us. We wish her all the best and hopefully will see her again.

This week we will prepare for the Changeover and field questions about what we have done and where we want to be going in the next 12 months.

The following week we will hear from Piers Booth from ROMAC to update us on the amazing work undertaken by local doctors for the benefit of our Asian and South Pacific neighbours who need drastic medical assistance.

COMING DATES: 24th June Changeover Dinner at Yacht Club 7. for 7.30pm
